

LFAU

## Large FUSION™ Manual Height Adjustable Floor Stand

This floor stand incorporates rounded edges and sleek features to give a softer, professional feel that fits well in corporate and classroom environments. The height can be adjusted by one person via hand or 1/2" hex bit on a power drill.

### Features

- Sleek look suitable for multiple environments
- Turn knob allows single user to easily adjust the screen height by hand or 1/2" hex drill bit to any height between 106 and 156 cm
- Flexible cable covers allow lay in access anywhere along column
- Centris Technology provides tilt and roll with use of knobs
