

## Epic Fan Power

The Galaxy S21 FE 5G is available in four new trendy colors, all with an elegant matte finish. Its super-smooth 120 Hz Dynamic AMOLED 2X display in 6.4" offers a stunning viewing experience and fits perfectly and securely in the hand. The camera on the back of the Galaxy S21 FE 5G is a further development in the established Galaxy S21 family: It takes impressive and super-sharp images in any situation. The ultra-wide-angle camera captures the best views of every panorama. With the larger 4500 mAh battery, you can charge your smartphone wirelessly and never be let down. Water resistance and 5G technology make the Galaxy S21 FE 5G your reliable daily companion.

### Highlights of the Galaxy S21 FE 5G

- 6.4" flat Dynamic AMOLED 2x, 120Hz, 2340 x 1080 (FHD+)

+ Ultra-wide-angle 12 MP (f/2.2)  
+ 8 MP 3x optical telephoto (f/2.4),  
Front camera 32 MP (f/2.2)
- 6 GB RAM + 128 GB storage  
or 8 GB RAM + 256 GB storage
- 4500 mAh battery with fast charging technology and Wireless PowerShare
- In-display fingerprint sensor
- 5G, DualSim
- IP68-certified water and dust protection

### Elegant design in fashionable colors

The Galaxy S21 FE 5G is available in four new colors. The appealing matte colors and the unmistakable Galaxy S21 design make this smartphone a must-have for every Galaxy fan. The 6.4" Dynamic AMOLED 2x display with 120 Hz is now even brighter. Combined with the yet narrower borders of the aluminum housing, the Galaxy S21 FE 5G provides you with an incredible entertainment experience.

### Professional-class camera

The triple camera of the Galaxy S21 FE 5G is incredibly powerful and captures the smallest details even in the most difficult situations. The main camera takes sharp and colorful pictures even in low light. Thanks to the impressive 30x zoom, you can zoom in on the most distant objects. With the Single Take function, you'll never miss a special moment again. While you shoot breath-taking panoramic images with the special ultra-wide angle lens. 8K video recording, director's view with Vlogger function for thrilling social media videos or super-stable action video recording, the Galaxy S21 FE 5G is your pro photographer.

### Impressive overall package

With the latest and fastest processor, the Galaxy S21 FE 5G will always perform to the max. Video recording, photographing, playing, or working will simply become a pleasure. The 5G-compatible device provides the fastest possible network connection. It is IP68-certified and thus water and dust resistant, and thanks to the generous 4500 mAh battery it is ready for any challenge. The Galaxy S21 FE 5G can be wirelessly charged on the go or used to share power with other wirelessly chargeable devices such as the Galaxy Buds2 or Galaxy Watch4.
