Awesome Screen

The 6.4" Super AMOLED display, with a refresh rate of 120 Hz and a maximum brightness of 1000 nits, provides an ultra-smooth gaming and scrolling experience. The fingerprint sensor integrated into the display allows you to unlock your smartphone quickly and securely.

Awesome Camera

The 50 MP main camera with optical image stabilization allows you to take sharp photos and smooth videos even in poor lighting conditions. Thanks to its ultra-wide camera (12 MP) and its macro lens (5 MP), you are also equipped to take on unusual subjects, such as breathtaking panoramic landscapes or unique tiny details. What is more, the high-resolution 32 MP front camera takes the best selfies that everyone wants.

Awesome Performance

With the long-lasting 5000 mAh battery of the Galaxy A54 5G you are ready for the longest adventures or gaming sessions. Thanks to its 25W Fast Charging you can top up the power in a matter of minutes if you ever find yourself running low. The entire device is optimally protected against water and dust to IP67 standard.
