Performance X Series

XILENT X X912.ARGB

The XILENT X Midi Tower PC case opens up a new dimension of gaming. With its sleek black design and impressive size, it is the ideal choice for your own gaming PC.

This case offers generous space inside to accommodate a variety of components. Whether you want to install a powerful graphics card, an advanced CPU or an impressive cooling system, the XILENT X case allows you to make your vision a reality.

A highlight of the XILENT X case is the mesh front with the distinctive X design, which not only gives a unique look, but also allows for optimal airflow to keep the system cool and powerful. The four additional fans, three of which light up in the front panel, not only contribute to good airflow, but also create a fascinating lighting atmosphere that turns the gaming experience into a spectacular spectacle.

With thoughtful internal cable management, the XILENT X X912.ARGB case ensures a tidy and organized look. No distracting cables to obscure the view of high-quality components.
With its generous space, glowing fans, immaculate aesthetics and airflow through mesh front, it not only offers technical performance but also makes a statement for individual style.

Highlights

- Full X mesh front with three ARGB Xilence fans and one black 120mm PWM fan pre-installed in the rear
- No visible screws on the tempered glass side panel, screwing from the back for a clean look
- With 220mm width and 475mm depth, the case offers more space for proper air circulation
- Suitable for water cooling systems with 360mm, 280mm and 240mm radiators in the front and top
- Space suitable for graphics cards up to 375mm in length and for CPU coolers up to 170mm in height
- XILENCE graphics card holder & tool-free graphics card mounting
- Tool-free installation for HDD / ODD possible
- Behind the mainboard there is up to 27mm space for customized cable management
- For better airflow in the case, a power supply shroud is present at the bottom
- Efficient, easy to remove and clean dust filters at the top and back
- 1x USB 3.2, 2xUSB 3.0 ports in the top panel

Design

- Unique front panel design
- Snap-in front panel for easy PC assembly
- Black case along with tempered glass on the window side for a classy look

Service

- Two-year manufacturer's warranty
- Product development, design and quality control in Germany
